NEW BUSINESS

Authorize the Mayor to sign the Special Assessment Collections Services Agreement between the County of Colusa and the City of Williams.

DISCUSSION: City Administrator Frank Kennedy explained that Recology had notified the City about accounts in the City of Williams that were drastically under paid or just not paying at all. At that time the only solution they had, was to put a lien on the property. Doing this, would allow Recology to get paid was if the property was sold. This could take years if not decades.

One other solution is to have the unpaid balance added to the Tax-Roll of the County. The city has been working with Recology and the County of Colusa on the agreement presented to City Council. Mr. Kennedy said this was the first step in a two or three-part procedure in regards to getting these accounts on the tax-roll.

There is a one-dollar fee charged by the state, but that will be passed on to Recology so it's a net zero for the City of Williams.

After further discussion the City Council took the following action.
